Summary

Full stack web developer with a background in biology eager to find a place to continue to develop and gain knowledge with programming. Adaptable with experience in crisis management and leadership. Team player with strong written and verbal communication skills.

Technical Skills

- JavaScript, HTML, CSS, Bootstrap, jQuery, Node.JS, Express.JS, React, MySQL, MongoDB, C++

Projects

- Clean Steep | GitHub Repo: <https://github.com/kacox1251/CleanSteep> | Deployed Project: <https://glacial-bastion-79248.herokuapp.com/> | A user can search rock climbing routes based on location. Searched routes will include information such as route type and difficulty. The user can save routes, mark routes as completed, and rate them on a five star scale. | My responsibilities for this group project include setting up the basic react form, creating the GSAP animation and D3 graphs, and setting up user authentication using Passport.js
- Budget Tracker | GitHub Repo: <https://github.com/vsriley/budget-tracker> | Deployed Project: <https://morning-journey-28573.herokuapp.com/> | A progressive web app that allows a user to track their budget and view it in a graphical manner. They are able to input their spending and earnings as well as add a descriptor to each transaction.
- Burger | GitHub Repo: <https://github.com/vsriley/burger> | Deployed Project: <https://enigmatic-journey-98023.herokuapp.com/> | An app that allows a user to input burgers and keeps track of whether or not they have been eaten using mySQL and an ORM. uses Node.JS, Express.JS, MySQL, and an ORM.

Experience

LEAD VETERINARY ASSISTANT | VIDA VETERINARY CARE | FEBRUARY 2019 – PRESENT

- Participated in a group that earned 3x profits as the other daytime group during the coronavirus pandemic
- Oversee a team of 7 outpatient veterinary assistants
- Aid in providing high quality pet care to a variety of animals by supporting veterinarians and collaborating with team members through both general practice and emergency care services.

SALES SPECIALIST | REI WESTMINSTER | APRIL 2018 – OCTOBER 2019

- Created a welcoming environment for customers that encourages all to enjoy the outdoors.
- Consulted with customers to find best-fit items for their needs.

PARK SERVICES TECHNICIAN | JEFFERSON COUNTY OPEN SPACE | MAY 2018 – JANUARY 2019
